

Paying for Unite

C3 will make payments on your behalf, do not prepay yourself. The squadron POC must ensure budget limits are maintained at all times. Most fees are based on attendance estimates. Final attendance estimates must be provided by POC three business days prior to the event.

Approval Process

1. Squadron Commander will designate a Unite POC for their squadron.
2. Unite POC will meet with C3 to discuss Unite program. C3 will provide a menu of unit cohesive programs for the squadron to choose from. C3 will provide an Event Request form to the POC.
3. Squadron POC will survey squadron to determine their interest and recommend to Squadron CC a unit cohesive activity via the Event Request Form.
4. Squadron CC will sign the event request form if they agree to use their funds to support the proposed event.
5. Squadron POC will return signed Event Request form to the C3.
6. C3 will review and ensure request meets the program intent prior to sending to AFSVC. C3 reserves the right to request additional information and assist POC with revising request if necessary.
7. C3 will submit event request to AFSVC for approval. Events must be submitted 14 days prior to event date.
8. If approved, C3 will notify POC by email, and arrange payment for your event.
9. Host your event and have fun! Remember to take pictures!
10. After Action Report (AAR)-POC must submit an AAR and event photos within 72 hours of the event.
