Paying for Unite

C3 will make payments on your behalf, do not prepay yourself. The squadron POC must ensure budget limits are maintained. POC is responsible to ensure all 889 requirements are met.

Most fees are based on attendance estimates. Final attendance estimates should be gathered at least three days prior to the event.

Event Approval Process

1. Squadron Commander will designate a Unite POC for their squadron.
2. Squadron POC will survey squadron to determine their interest and recommend to Squadron CC a unit cohesive activity via the Event Request Form.
3. Squadron CC will sign the event request form if they agree to use their funds to support the proposed event.
4. Squadron POC will return signed Event Request form to the C3 two weeks prior to the event.
5. C3 will submit event request to AFSVC for approval.
6. When approved, C3 will notify POC, and arrange payment for your event and when to pick up Unite banner.
7. Host your event and have fun! Remember to take pictures!
8. After Action Report (AAR)-POC must submit an AAR and event.
